### Community Involved...Family Oriented!

#### September at Steppin' Out Rocked Big Time!!!!

What a busy month it was for The Studio. Classes got into full-swing starting on September 6th. Instead of just one first-day of school, we had six first-days of school! Making sure students were in the right place at the right time was our goal, and things went very well. Great job staff and parents!

Steppin' Out was very busy at Lees Summit Oktoberfest, where we provided entertainment at the **Community Stage**. On Friday night, I have never seen so many people at an outdoor community event...our show was so packed that it was "**standing room only!**" We also had another performance on Saturday at 4:00. I received so many accolades about our dancers. As the sponsor of **Kids Stage** for the fourth year, we kept that stage busy! Saturday at 12:30, our **Little Steppers** had a huge crowd and did a fantastic job with their preschool dance demonstrations. Kudos to the staff on hand: Ms. Emily and Ms. Melanie. At 3:00, we sponsored **Kids Karaoke** at the Kids' Stage, where there were over 20 participants. Thanks to Ms. Elisa, Ms. Laura, and to Marcy Van Pelt.

Welcome to our first watch night tonight! Hopefully you will enjoy watching your child's classes. If at any time you have questions, please feel free to leave your name at the front desk and the teacher will gladly return a phone.
